Contract(s) resulting from this RFP are subject to, and the vendor must comply with, all Federal, State of New Mexico, and local laws and statutes.

### **3.2 Termination for Cause**

Contract(s) resulting from this RFP may be cancelled for mal-performance, non-performance or other failure on the part of the vendor to comply with the terms and conditions detailed herein. In the event such action is necessitated, the contract(s) shall be null and void upon receipt of written notification from the Purchasing Officer.

### **3.3 Termination for Convenience**

The District or Vendor may terminate contract(s) without cause with 60 days written notice.

### **3.4 Customer Service Requirements**

The district will require a single point of contact to manage the account and to troubleshoot any customer service related issues. The district may request a change to this position. The vendor may change the personnel related to this position once every 24 months or with district agreement.

### **4.0 Service Requirements**

The contract shall provide required athletic apparel and, potentially, shoes and accessories for RISD's high school and middle school sports/athletic teams. Products will be purchased on an as needed basis. The contract will be used to purchase products and services, with services being defined as, but not limited to, screen printing and artwork on uniforms. Such services will be included in the cost of the product. All products shall be durable, within the range of colors required by RISD, and conform to the NMAA standards.

“Price List” or “List Price” is defined as that which is regularly maintained by the manufacturer and is published or otherwise available for inspection by the customer. List prices must be standard in the trade and in common use for either the vendor's general clientele or comparable government accounts. Lists will be allowed to change as may be standard in the industry but the discounts will remain firm.

The contract shall include:

- 4.0.1 Provide uniforms and, potentially, shoes, and accessories for each sponsored sport/athletic program.
- 4.0.2 Provide a contract that is available for technical support as well as answers inquiries within 24-48 hours.
- 4.0.3 Provide products for all teams with consistency in color, marks, and fonts.
- 4.0.4 Contractors must be willing to work with Athletic Department in case of a “rebrand” (i.e. custom logo, font, and template design)
- 4.0.5 Purchases are made as needed and at no time will RISD guarantee a minimum quantity purchased. This RFP does not guarantee a specific quantity of business.

#### **4.1 Pricing List and Discounts**

Cost will be indicated as a percentage of discount off the **Price List, Catalog Price or Manufacturer's Suggested Retail Price, whichever is less**. Discounts will be applied to the most recent Price List / Catalog issue. Cost is to be submitted according to the pricing structure on Appendix A. This is not a commitment to purchase.

Copies of the current Price List from which the discount applies must be submitted in the proposal. If sent under separate cover, please note such in the proposal. **The Contractor agrees that there will be no change in the discount during the term of the Contract.** The successful Contractor is required to supply the RISD Athletic Department with new Price Lists as they become available. New Price Lists will go into effect when accepted by the Athletic Department. New Price Lists found to be non-competitive at any time during the term of the contract will be grounds for terminating the contract.

Successful Contractor will supply additional Prices Lists / Catalogs as required by RISD.

#### **List Price Changes will be subject to the following conditions:**

- a. All requested changes must be in writing and submitted with a thirty (30) day advance notice of the requested revision. It will be the responsibility of the Contractor to approach RISD with the need for a price review. The new Manufacturer's Price List must be furnished with the request.
- b. Changes must be standard in the industry and not unique to RISD.
- c. Price decreases as well as increases shall apply. If the Contractor's prices are reduced for any reason, RISD shall also receive the benefit of such reductions.
- d. Price increases will not be retroactive to orders already in-house or back orders. Orders will be filled at the price in effect on the date of the receipt of the order, either verbal or written, by the Contractor.

#### **4.2 Freight Charges**

RISD recognizes that when quantities vary, it is difficult to determine freight costs. Therefore, in Appendix A, use the minimum amount of space to specify the minimum dollar amount for which your firm will accept freight charges. Please absorb all freight charges into the cost of the Athletic Clothing and Related Materials Pricing, so no freight charges will be included on invoices. No additional freight charges will be passes on to RISD for Contractor direct deliveries. All pricing will be F.O.B. Destination including cost, insurance, and freight.

#### **5.0 Proposal Requirements**

All proposals must include a point-by-point response to this RFP, specifically to Section 5.1, to include thorough detail. Failure to respond to all points will be grounds for rejection. Likewise, failure to supply any information required to accompany the proposals shall cause a rejection of the proposal as non-responsive. RISD reserves the right to request additional information and/or presentations, if clarification is needed.

#### **5.1 Specific Response Requirements**

Provide responses on separate sheets of paper following the letter sequence below.

- a. Provide the name(s) and credential(s) of the individual(s) assigned to the RISD account.
- b. Successful respondent will have had a minimum of five (5) years of experience in selling K-12 uniforms and related apparel and equipment. How long has your company been in this business? Has it been your primary business focus? Explain.
- c. It is RISD's intent and desire to standardize on one line of apparel from a major athletic apparel manufacturer.
  - i. If the Contractor is a dealer, describe in detail your relationship with the manufacturer you would represent in this contract, including the length and nature of your business relationship; status as a local dealer for the manufacturer; level of support both you and RISD can expect from the manufacturer; and any other information you deem of interest for this RFP.
  - ii. If the Contractor is a manufacturer, describe in detail the local network in place to provide onsite services and local support, and any other information you deem of interest.
- d. Vendors shall submit the information listed below for four (4) school districts (preferably in the State of New Mexico and similar in size and scope) that are current customers or have been customers within the past 3-5 years. Additionally, vendors must provide two (2) local school districts that have discontinued services with the vendor within the past 24 months.

Be sure to include the following information for each of the six (6) references:

- i. School District or Other Entity Name
  - ii. Contact Name and Title
  - iii. City and State
  - iv. E-mail Address
  - v. Telephone Number
  - vi. Years Serviced
- e. Provide in detail any policies that RISD should be aware of when evaluating responses, such as return or exchange policies, minimum order policies, accepting Purchase Orders, etc.
  - f. Along with the offered discount pricing structure, RISD would be interested in considering additional financial incentives. Please describe the type, structure, and value of any and all offered incentive programs.
  - g. List of clients (current and past – please list dates of partnership) in Roswell, NM, Southeastern New Mexico, and throughout the rest of New Mexico.
  - h. Cost of uniforms (Appendix A)

## 6.0 Evaluation Criteria

RISD will evaluate RFP's based on the following criteria:

### EVALUATION FACTORS

Only responses that include the information as specified in "Section 5.0 and 5.1" will be evaluated for award purposes. Incomplete responsive qualification statements received will be determined as "non-responsive" and will not be acceptable for award

consideration. All responsive qualification statements received shall be evaluated based on the following weighted factors:

FACTOR	WEIGHT
1. Qualifications of personnel	15 pts
2. Capacity and capability	20 pts
3. Past projects and performance	20 pts
4. Proximity and familiarity	15 pts
5. Price	<u>30 pts</u>
TOTAL	100 PTS

The Technical Proposal and Cost Proposal total 100 points. The basis for determining the firms to be interviewed will be the information supplied in written proposals. An interview, if deemed necessary, will have a total of 50 points. RISD will not be responsible for any expenses incurred by a firm in preparing and submitting a proposal nor travel expenses associated with an interview or presentation.

The evaluation of each Proposer’s cost proposal will be conducted using the following formula:

$$\frac{\text{Lowest Responsive Offer Proposal}}{\text{This Proposer’s Proposal}} \times \text{Available Award Points}$$

**A. EVALUATION PROCESS**

1. All Proposer proposals will be reviewed for compliance with the requirements and specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.
2. The Chief Procurement Officer may contact the Proposer for clarification of the response as specified in this RFP.
3. Responsive proposals will be evaluated on the factors in Section V, which have been assigned a point value. The responsible Proposers with the highest scores will be selected as finalist Proposers, based upon the proposals submitted. The responsible Proposers whose proposals are most advantageous to the District taking into consideration the evaluation factors in Section IV will be recommended for award. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.
4. All calculations of point standings, including any addition or deduction of points to Proposer submittals shall occur at a meeting of the Evaluation Committee, with all members in attendance.
5. Individual scores and rankings by each committee member shall be confidential. Ties in ranking by individual committee members and by collective committee rankings shall be

scored using the sum of the ranking places, divided by the number of firms in a tie. The following is an example of scoring for a tie at first:

- a. Scoring Numerical Ranking
- b. Firm A Tie  $(1^{\text{st}} + 2^{\text{nd}})/2=1.5$
- c. Firm B Tie  $(1^{\text{st}} + 2^{\text{nd}})/2=1.5$
- d. Firm C Third =3

- 6. A tie for first, at the end of the final rankings after completion of evaluation of proposals shall be broken by a separate ranking by the committee members, only ranking the firms involved in a tie. If a tie still exists after ranking only the tied firms, the tie shall be broken by the chairman of the Evaluation Committee or Chief Procurement Officer.
- 7. The Chief Procurement Officer shall notify all finalists in writing of the final results of the interviews, if held, and the overall selection process.

**\*NOTE: Please read all of the RFP documents carefully for mandatory requirements.**

**The contract shall be awarded to the Proposer or Proposers whose proposal is most advantageous, taking into consideration the evaluation factors set forth in the RFP. The most advantageous proposal may or may not have received the most points.**

## APPENDIX C

### CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to NMSA 1978, § 13-1-191.1 (2006), any person seeking to enter into a contract with any state agency or local public body for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business.

Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
