**53. Discounts**

Prompt payment discounts will not be considered in computing the low bid. Discounts for payment within twenty (20) days will be considered after the award of the Contract. Discounted time will be computed from the date of receipt of the merchandise, invoice or billing for services, whichever is later.

**54. Packing, Shipping and Invoicing**

The District's Agreement number and the Contractor's name, user's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments. The user's count will be accepted by the Contractor as final and conclusive on all shipments not accompanied by a packing sheet. The Contractor's invoice shall be submitted and shall contain the following information: order number, description of supplies or services, quantities, unit price and extended totals. Separate invoices shall be rendered for each and every complete shipment.

**55. Samples**

Unless otherwise indicated in the bid specifications, samples of the items, when required, shall be free of expense to the District. Samples not destroyed or mutilated in testing will be returned upon request, at Bidder's expense. Each sample must be labeled to clearly show the bid number and item number to which it pertains. Unsolicited bid samples or descriptive literature, which is submitted at the Bidder's risk, will not be returned.

**56. Award Rights**

The Roswell Independent School District reserves the right to award by item, group of items, or total bids; to reject any and all bids in whole or in part, if it is in the best interests of the Roswell Independent School District. Additionally, the District reserves the right to reject any or all bids for any reason that the District determines prudent. Such rejection shall not result in any penalty to the District, but shall be deemed a cost of doing business by the bidder.

If this bid results in a non-exclusive discount pricing agreement, more than one award may be made. No commitment is made by the District as to quantity and frequency of purchase. The Roswell Independent School District reserves the right to purchase items referenced under this agreement using any other method and from any other vendor as deemed necessary and in the best interest of the District.

In the event Roswell Independent Schools receives comparable pricing structures and list prices in the same categories, then Roswell Independent Schools may choose to (1) award to the vendor who submits the more comprehensive price list or (2) make multiple awards in that category.

**57. Delivery**

All deliveries must be F.O.B. Destination – Freight Pre-Paid, unless otherwise indicated. The goods shall be delivered free of the rightful claim of any third person, any security interest or other lien. Unless otherwise agreed all goods called for in this Bid shall be tendered in a single delivery and payment is due only upon such delivery (NET 30).

**58. Delays in Delivery**

Time is of the essence and this purchase may be subject to termination for failure to deliver on time, unless delay was caused by Roswell Independent Schools. If delay in delivery is foreseen, Seller must notify the Roswell Independent Schools Requesting Department of late delivery, cause of late delivery, and remedy for late delivery.

**59. Inspection**

Final inspection will be made at the destination upon completion of delivery of goods/services. Final inspection shall include any testing or inspection procedures required by the specifications.

**60. Acceptance**

Acceptance of delivery of goods/services shall not be considered acceptance of the goods/services furnished. Acceptance occurs when the Requesting Department, after a reasonable opportunity to inspect the goods/services, signifies to the seller that the goods/services are conforming and fails to make an effective rejection.

**61. Buyers Revocation of Acceptance**

Requesting Department can revoke acceptance of goods when it is discovered, in a reasonable time, that the Sellers non-conforming goods substantially impair the value of the goods.

**62. Sellers Right to Cure a Non-Conforming Delivery of Goods**

The Seller, upon notice of revocation of acceptance, shall correct without charge and deliver conforming goods in a reasonable time

**63. Assignments**

**64. Promotional gifts and activities**

Roswell Independent Schools policy prohibits the distribution of jackets, shirts, caps, or any other clothing items with company or product logo or any other form of advertising to its employees. Furthermore, Roswell Independent Schools employees are prohibited from entering drawings, contests, or other promotional/advertising activities with vendors or potential vendors in connection with a procurement action.

**65. New Materials**

All bid items are to be NEW and of most current production, unless otherwise specified.

**66. Warranty**

The Bidder agrees that the products or services furnished under this order shall be covered by the most favorable commercial warranties given to any customer. Bidder agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

**67. Minimum Standard**

Bid specifications indicate the minimum standard of quality, performance or other pertinent characteristics required. All items equal or exceeding these specifications will be considered. All options, variations, or exceptions to specifications must be listed.

**68. Use of Brand Names and Numbers**

Brand names and numbers are for reference only; equivalents will be considered. Where a brand name or equal is indicated, it is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition. "No substitute" specifications may be authorized ONLY if required to match existing equipment. Use of a brand name is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition. When bidding an "or equal" the burden of persuasion is on the supplier or manufacturer who has not been specified to convince the procurement officer that their product is, in fact, equal to the one specified. The procurement officer is given the responsibility and judgment for making a final determination on whether a proposed substitution is an "or equal" (NMAC 1.4.24, subsection D).

**69. Equivalent Items Bid**

If the Bidder offers an item other than the one specified, which the Bidder considers comparable, the manufacturer's name and model number of that item must be specified in the bid and sufficient performance specifications and descriptive data provided to permit a thorough evaluation. A separate sheet(s) may be attached for this purpose. Failure to provide the appropriate information may result in disqualification of the bid.

**70. Restrictive Specifications**

Specifications stated in this request are not intended to exclude any Bidder. If any Bidder is of the opinion that the specifications as written preclude them from submitting a response to this ITB, it is requested that their opinion be made known to the Procurement Manager, in writing, as soon as possible but preferably at least five (5) working days prior to the bid opening date.

**71. Addenda**

Changes or amendments to specifications, conditions or provisions herein may be initiated ONLY through the Chief Procurement Office in the form of a written addendum. Any addenda shall become a part of this bid. It is the responsibility of all persons or businesses considering submitting a bid in response to this solicitation to ensure that they have received all addenda prior to making a bid. Addenda will be posted to Roswell Independent Schools' website [https://www.risd.k12.nm.us/finance\\_and\\_operations/business\\_services/purchasing\\_bids\\_rfp](https://www.risd.k12.nm.us/finance_and_operations/business_services/purchasing_bids_rfp)

**72. Final Award**

The award for this ITB shall be based on the lowest responsible bid, which meets minimum specifications based on the specifications listed. Roswell Independent Schools does not guarantee any amount of work, services or property needed. The Board of Education reserves the right to reject any and all bids, to wave technical irregularities, as described above and to accept the bid(s) which in its judgment is most advantageous to Roswell Independent Schools.

**73. Default**

The District reserves the right to cancel all or any part of any orders placed under this contract without cost to the District, if the Vendor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold the Vendor liable for any excess cost occasioned by the District due to the Vendor's default. The Vendor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Vendor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the District shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery scheduled. The rights and remedies of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this contract.

Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1988 requires school food authorities (SFAs) to purchase to the maximum extent practicable, domestic commodities or products.

The Buy American provision defines "domestic commodity or product" as an agricultural commodity that is produced in the U.S. and a food product that is processed in the U.S. substantially using agricultural commodities produced in the U.S. For foods that are unprocessed, agricultural commodities must be domestic, and for foods that are processed,

they must be processed domestically using domestic agricultural food components that are comprised of over 51% domestically grown items, by weight or volume as determined by the SFA. Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are considered domestic products under this provision as these products are from the territories of the U.S.

There are limited exceptions to the Buy American provision which allow for the purchase of foods not meeting the "domestic" standard as described above (i.e., "non-domestic") in circumstances when use of domestic foods is truly not practicable. These exceptions, as determined by the SFA, are:

- The product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or
- Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

Please refer to 7 CFR 210.2 for full definitions and USDA-FNS memo SP-24-2016 Compliance with and Enforcement of the Buy American Provision in the National School Breakfast and Lunch Program for additional information.

It is essential that all purchases of agricultural commodities and food products comply with this statutory.

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

**Note.** If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

**Part II Certification**

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
