

**2020-2021**  
**INCLEMENT WEATHER SCHEDULE**  
**Roswell Independent School District**

An abbreviated schedule or school closing is implemented because school buses cannot safely negotiate the streets and roads. When required, the superintendent will make the decision to institute an abbreviated schedule by 5:00 a.m. and announced through the news media beginning at 6:00 a.m. The Automated caller system will call all staff and students at the same time.

No announcement will be made if regular schedules are followed.

Occasionally, conditions will worsen forcing school cancellation. When this occurs, the announcement will be made at approximately 9:00 a.m. using the same procedure.

**Abbreviated Schedule**

**All School Building Staff** are expected to be in their respective buildings one-half hour prior to the beginning of the abbreviated schedule. Principals are required to establish and publish a schedule for those days when the school system is on abbreviated schedule.

**All Parkview Staff** - One or two hour delays, no morning classes; afternoon classes follow the regular schedule. Staff is expected to be in their building one-half hour prior to the beginning of all the other School's abbreviated schedule. For example: If there is a two-hour delay, Parkview staff (even when morning classes are cancelled) are required to report to their building at 9:30am. The Principal is required to establish and publish a schedule for those days when the school system is on abbreviated schedule.

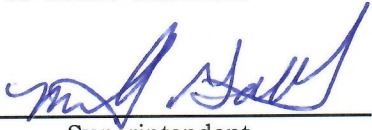

**All 242 Day (12 Month) Contract Employees** are expected to report to work at the normal time.
